KANAMOZA INDUSTRIAL SUPPLIERS

POWER TOOLS & PPE CATALOGUE

POWER TOOLS & PERSONAL PROTECTIVE EQUIPMENT SOLUTIONS

Kanamozza Industrial Supplies provides dependable power tool and personal protective equipment (PPE) solutions designed to support safe, efficient, and productive operations across industrial, construction, engineering, mining, agricultural, and maintenance environments.

Our range includes professional-grade power tools, cutting and grinding equipment, drilling solutions, industrial tool accessories, safety footwear, protective clothing, hand protection, respiratory equipment, and height safety systems sourced from trusted manufacturers and suppliers.

Whether supporting daily maintenance activities, shutdown projects, construction operations, workshop environments, or large-scale industrial installations, Kanamozza assists clients with sourcing quality equipment tailored to operational requirements, safety standards, and workplace compliance.

Industries Served

GET A FORMAL QUOTE

Provide your equipment requirements, workplace safety specifications, quantities, or project scope to receive detailed product information, available options, and procurement support from trusted industrial suppliers.

Our consultants are available to assist with product selection, PPE compliance requirements, bulk procurement, and sourcing solutions tailored to your operational needs.

POWER TOOLS OVERVIEW

CATEGORY	DESCRIPTION
Drilling Equipment	Professional drilling solutions for concrete, steel, timber and industrial applications.
Cutting Equipment	Industrial cutting tools designed for metal, timber, masonry and fabrication work.
Grinding Equipment	Surface preparation, cutting, finishing and material removal solutions.
Demolition Equipment	Heavy-duty breaking and demolition equipment for construction and industrial projects.
Cordless Power Tools	Portable battery-powered tools providing flexibility and productivity on-site.
Fastening Equipment	Impact drivers and fastening solutions for assembly and installation applications.
Workshop Equipment	Professional workshop tools supporting maintenance, fabrication and repair operations.
Power Tool Accessories	Consumables and accessories designed to maximise tool performance and lifespan.

CORDLESS DRILLS

PRODUCT TYPE Battery Powered Drills

AVAILABLE PRODUCTS

- Cordless Drill
- Cordless Hammer Drill
- Cordless Drill Driver
- Cordless Impact Driver
- Cordless Impact Drill
- Cordless Combination Drill

APPLICATION USE

- General drilling
- Fastening applications

ROTARY HAMMER DRILLS

PRODUCT TYPE Concrete & Masonry Drilling Equipment

AVAILABLE PRODUCTS

- SDS Plus Rotary Hammer
- SDS Max Rotary Hammer
- Rotary Hammer Drill
- Combination Hammer
- Demolition Rotary Hammer

APPLICATION USE

- Concrete Drilling
- Masonry Applications
- Construction Projects

ANGLE GRINDERS

PRODUCT TYPE Grinding & Cutting Equipment

AVAILABLE PRODUCTS

- 115mm Angle Grinder
- 125mm Angle Grinder
- 180mm Angle Grinder
- 230mm Angle Grinder
- Variable Speed Grinder
- Deadman Switch Grinder

APPLICATION USE

- Metal Fabrication
- Surface Preparation
- Material Removal

CUTTING EQUIPMENT

PRODUCT TYPE Industrial Cutting Tools

AVAILABLE PRODUCTS

- Circular Saw
- Cut-Off Saw
- Chop Saw
- Jigsaw
- Reciprocating Saw
- Metal Cutting Saw

APPLICATION USE

- Timber Cutting
- Metal Cutting
- Workshop Fabrication

IMPACT WRENCHES & FASTENING TOOLS

PRODUCT TYPE Industrial Fastening Equipment

AVAILABLE PRODUCTS

- Cordless Impact Wrench
- Pneumatic Impact Wrench
- Cordless Impact Driver
- Torque Wrench
- Electric Screwdriver

APPLICATION USE

- Equipment Assembly
- Maintenance Operations
- Mechanical Workshops

DEMOLITION EQUIPMENT

PRODUCT TYPE Breaking & Demolition Equipment

AVAILABLE PRODUCTS

- Demolition Hammer
- Jack Hammer
- Breaker Hammer
- Chipping Hammer
- Concrete Breaker

APPLICATION USE

- Concrete Removal
- Structural Demolition
- Industrial Construction

POWER TOOL ACCESSORIES

PRODUCT CATEGORY

PRODUCT TYPE

APPLICATION USE

Drill Bits	Drilling Accessories	Concrete, metal and timber drilling
• HSS Drill Bits • Masonry Drill Bits	• Core Cutters • Annular Cutters	• Drill Chucks • Hole Saws • SDS Drill Bits
Cutting Accessories	Cutting & Abrasive Accessories	Metal, timber and material cutting
• Cutting Discs • Diamond Cutting Blades	• Circular Saw Blades • Jigsaw Blades	• Reciprocating Saw Blades • Metal Cutting Blades
Grinding Accessories	Surface Preparation & Finishing Accessories	Grinding, finishing and material removal
• Grinding Discs • Flap Discs	• Wire Brushes • Sanding Discs	• Polishing Pads
Batteries and Chargers	Cordless Power Systems	Portable power supply and tool operation
• Lithium-Ion Batteries • Fast Chargers	• Dual Battery Chargers • Battery Starter Kits	
Tools and Storage	Tool Storage & Transport Solutions	Equipment storage and workplace mobility
• Tool Cases • Carry Cases	• Tool Bags • Storage Boxes	

NEED HELP SELECTING THE RIGHT TOOLS?

Whether you require detailed product specifications, a specific tool, or guidance for an upcoming project, Kanamoza's consultants are available to assist. Share your application, scope, or operational requirements to receive suitable recommendations and procurement support.

PERSONAL PROTECTIVE EQUIPMENT (PPE) OVERVIEW

PRODUCT CATEGORIES	DESCRIPTION
 Safety Footwear	Protective footwear designed to safeguard workers against impact, puncture, slip, and workplace hazards.
 Protective Clothing	Industrial workwear engineered for comfort, durability, visibility, and workplace protection.
 Hand Protection	Gloves and hand protection solutions designed for handling, fabrication, welding, chemical, and industrial applications.
 Eye & Face Protection	Protective equipment designed to reduce the risk of injury from impact, dust, sparks, chemicals, and flying particles.
 Respiratory Protection	Respiratory equipment developed to protect workers from dust, fumes, vapours, and airborne contaminants.
 Head & Hearing Protection	Protection solutions designed to minimise the risks associated with impact injuries and excessive workplace noise.
 Fall Protection	Safety equipment designed to protect personnel working at heights and in elevated-risk environments.

PRODUCT TYPE	APPLICATION USE	PRODUCTS
Industrial Safety Footwear	- Construction Sites - Mining Operations - Manufacturing Facilities	- Safety Boots - Safety Shoes - Chelsea Boots - Gumboots - Ladies Safety Footwear - Welding Boots - Chest Waders
Industrial Workwear & Protective Clothing	- Industrial Operations - High Visibility Environments - Chemical & Electrical Work	- Conti Suits - Reflective Workwear - Rain Suits - Freezer Jackets - Windbreakers - Acid Resistant Clothing - Flame Retardant Clothing - Arc Flash Clothing
Industrial Hand Protection	- Welding - Fabrication - Material Handling	- Leather Gloves - Welding Gloves - Cut Resistant Gloves - Nitrile Gloves - Latex Gloves - Chemical Resistant Gloves - Impact Gloves
Worker Protection Equipment	- Grinding - Welding - Chemical Handling - Dust Environments	Eye & Face Protection - Safety Spectacles - Safety Goggles - Face Shields - Welding Helmets Respiratory Protection - Dust Masks - Half Mask Respirators - Full Face Respirators - Cartridges & Filters
Workplace Safety Systems	- Construction - Mining - Working at Heights	Head Protection - Hard Hats - Bump Caps - Safety Helmets Hearing Protection - Ear Plugs - Ear Muffs Fall Protection - Safety Harnesses - Shock Absorbing Lanyards - Fall Arrest Systems - Anchor Points - Lifelines

NEED GUIDANCE ON PPE SELECTION?

Whether you require detailed product specifications, workplace safety recommendations, or assistance selecting suitable PPE for a specific task or project, Kanamoza's consultants are available to assist. Share your work environment, hazards, and requirements to receive appropriate PPE recommendations and procurement support.
